**“ANNEXURE IV TO THE DIRECTORS’ REPORT”
MANAGEMENT’S DISCUSSION AND ANALYSIS**

Overall Review:

The company has diversified its business into textile. The Company has focused on trading in Textile fabrics, cotton yarns and undertakes redevelopment of residential properties in and around Mumbai

Financial performance with respect to Operational Performance:

During the year 2018-19, the Company was able to achieve total income from operations of Rs.11538 lacs as compared to Rs. 8358.06 lacs in the previous year & able to reduce its Net loss after tax of Rs. (36.23) lacs as compare to 98.47 Lacs profit after tax in the previous year.

➤ **Business Segment: Textile****a. Industry Structure and Development:**

Indian Textile industry is one of the largest in the world with large raw material base and manufacturing strength across the value chain. The uniqueness of the industry lies in its strength both in the hand woven as well as in the capital intensive mill sector. Traditional sectors like handloom, handicrafts and small scale power-loom units are the biggest source of employment for millions of people in rural and urban area.

b. Opportunities and Threats: The future for the Indian textile industry looks promising, by both strong domestic consumption as well as export demand. New Online Market has been emerged which shows Purchasing Power of Indian Customer opens New Market. In textiles, our product is well very accepted by our customers & we are in the process of increasing our customer portfolio.**c. Outlook:-**The company is taking all efforts to improve sales to get more orders at competitive rates.**d. Risks and Concerns:-**Textile industry is always subject to facing crisis in a cyclical way. Timely action is needed to overcome this situation by taking corrective and proactive steps, then and there. Rupee has appreciated by around 6% in the past six months. This is making it extremely difficult to be competitive at a time when some of our major competition countries are depreciating against dollar. Exporters are badly affected. Indian Textile industry needs to overcome some of the threats looming large in this front.➤ **Business Segment: Real Estate****a. Industry Structure and Development:**

The year ahead brings with it a clearer policy framework. The major effects on real estate market due to introduction of Real Estate (Regulation and Development) Act, 2016 (“RERA”), demonetization as well as Land Bill were absorbed in 2017. The overall housing shortage has prompted Government to introduce interest subsidy to the tune of 6.5% under Pradhan Mantri Awas Yojna (“PMAY”) for low and medium income households. The current shortage of nearly 20 million houses is the key driver which will have a cascading effect across all asset classes, including luxury real estate.

b. Opportunities and Threats:

Due to the Real Estate Regulatory which is now effective will bring about overall economic clarity, transparency under RERA resulting in more attractive Investment. By virtue of the change in government policies and protection to the investors as well as developers will increase demand due to our large population base, this sector has grown continually and is expected to stay steady for long.

c. Outlook:

India’s property market has struggled in recent years amid high interest rates and slowing economy. A stable Government at the Centre has given boost to the sector by instilling confidence to the builders as well as the buyers. We hope to sell the part of investment in FY-2018/19. We expect FY-2018 to be the start of growth year for the Indian economy as a whole in view of various measures being taken by the government.

d. Risks and Concerns:

Risks and threats are an imminent part of any business. The major risks and threats to our business are Constraints of funds, Human Resources, Legal and legal compliances.

Internal Control Systems and their Adequacy:

The existing internal controls are adequate and commensurate with the nature, size, complexity of the Business and its Processes. Regular internal audits and checks are carried out to ensure that the responsibilities are executed effectively and that adequate systems are in place.

Statement of Caution:

Representations and statements made under “Management Discussions and Analysis” is based on the projection and expectation on the basis of the present market conditions. Actual results may materially differ due to several factors which could influence the Company’s business operations such as demand and supply conditions, prices of input, changes in Government levies and regulations, industrial relations and other economic developments in the country.

The Management and Board of Directors of the Company are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) specified under Section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgement and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial control, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements Ind AS that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our

opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order.

Further to our comments in Annexure A, as required by section 143(3) of the Act, we further report that:

“ANNEXURE B” TO INDEPENDENT AUDITORS’ REPORT OF EVEN DATE TO THE MEMBERS OF S R K INDUSTRIES LIMITED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2019**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of S R K INDUSTRIES LIMITED (“the Company”) as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to you, the Company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
