Item No. 7

The Securities and Exchange Board of India ("SEBI"), vide its notification dated November 9, 2021, has notified SEBI (Listing Obligations and Disclosure Requirements) (Sixth Amendment) Regulations, 2021 ("Amendments") introducing amendments to the provisions pertaining to the Related Party Transactions under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). The aforesaid amendments inter-alia included replacing of current threshold i.e. 10% (ten percent) of the listed entity's consolidated turnover, for determination of material Related Party Transactions requiring prior Shareholders' approval with the threshold of lower of Rs.1,000 crore (Rupees One thousand crore) or 10% (ten percent) of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity. The said limits are applicable, even if the transactions are in the ordinary course of business of the concerned company and at an arm's length basis. Accordingly, the threshold for determination of material Related Party Transactions under Regulation 23(1) of the Listing Regulations has been reduced with effect from April 1, 2022.

The Company in the ordinary course of its business and on an arm's length basis, undertakes sales, purchase or supply of any good and/or material directly or through appointment of agent and selling or otherwise disposing of or buying, renting and leasing properties of any kind availing or rendering or availing of any services or giving or / and taking of loan or providing security or guarantee for loan taken, etc. to Sumati Spintex Private Limited (SSPL), a related party.

Being a material Related Party Transaction, the Members had, through postal ballot dated December 31, 2019, accorded approval for the Company to enter into the various transactions with SSPL for an aggregate value of Rs.150 crore per annum. Pursuant to the said approval, transactions aggregating to Rs. 1.37 crores were entered into during the financial year 2021-22.

In view of the changes in the threshold for determining the related party transactions that require prior shareholder approval and considering the fact that the list of related parties will change dynamically with no action on the part of the Company and to facilitate seamless contracting and rendering/availing of goods and services between the Company and "related parties", the Company seeks the approval of the shareholders to approve entering into contracts/arrangements within the thresholds and conditions mentioned in the resolution. All the contracts/arrangements and the transactions with "related parties" are reviewed and approved by the Audit Committee.

The details of the proposed transactions with SSPL as required under SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2021/662 dated 22nd November, 2021, are given in Annexure - B hereto, and forms a part of this Notice.

The said transaction(s)/contract(s)/arrangement(s) have been recommended by the Audit Committee and Board of Directors of the Company for consideration and approval by the Members.

Except Mr. Ratanchand D. Jain, Managing Director and his relatives, no other Directors or Key Managerial Personnel of the Company or their respective relatives are, in any way, concerned or interested in the resolution set out at Item No. 7 of the Notice.

Item No. 8

The Securities and Exchange Board of India ("SEBI"), vide its notification dated November 9, 2021, has notified SEBI (Listing Obligations and Disclosure Requirements) (Sixth Amendment) Regulations, 2021 ("Amendments") introducing amendments to the provisions pertaining to the Related Party Transactions under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). The aforesaid amendments inter-alia included replacing of current threshold i.e. 10% (ten percent) of the listed entity's consolidated turnover, for determination of material Related Party Transactions requiring prior Shareholders' approval with the threshold of lower of Rs. 1,000 crore (Rupees One thousand crore) or 10% (ten percent) of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity. The said limits are applicable, even if the transactions are in the ordinary course of business of the concerned company and at an arm's length basis. Accordingly, the threshold for determination of material Related Party Transactions under Regulation 23(1) of the Listing Regulations has been reduced with effect from April 1, 2022.

The Company in the ordinary course of its business and on an arm's length basis, undertakes sales, purchase or supply of any good and/or material directly or through appointment of agent and selling or otherwise disposing of or buying, renting and leasing properties of any kind availing or rendering or availing of any services or giving or / and taking of loan or providing security or guarantee for loan taken, etc. to Rishabraj Infra LLP, a related party.

Being a material Related Party Transaction, the Members had, through postal ballot dated December 31, 2019, accorded approval for the Company to enter into the various transactions with Rishabraj Infra LLP for an aggregate value of 20 crore per annum. No such transaction has taken place with aforesaid related party during the financial year 2021-22.

In view of the changes in the threshold for determining the related party transactions that require prior shareholder approval and considering the fact that the list of related parties will change dynamically with no action on the part of the Company and to facilitate seamless contracting and rendering/availing of goods and services between the Company and "related parties", the Company seeks the approval of the shareholders to approve entering into contracts/arrangements within the thresholds and conditions mentioned in the resolution. All the contracts/arrangements and the transactions with "related parties" are reviewed and approved by the Audit Committee.

The details of the proposed transactions with Rishabraj Infra LLP as required under SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2021/662 dated 22nd November, 2021, are given in Annexure - B hereto, and forms a part of this Notice.

The said transaction(s)/contract(s)/arrangement(s) have been recommended by the Audit Committee and Board of Directors of the Company for consideration and approval by the Members.

Except Mr. Ratanchand D. Jain, Managing Director and his relatives, no other Directors or Key Managerial Personnel of the Company or their respective relatives are, in any way, concerned or interested in the resolution set out at Item No. 8 of the Notice.

Item No. 9

The Securities and Exchange Board of India ("SEBI"), vide its notification dated November 9, 2021, has notified SEBI (Listing Obligations and Disclosure Requirements) (Sixth Amendment) Regulations, 2021 ("Amendments") introducing amendments to the provisions pertaining to the Related Party Transactions under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). The aforesaid amendments inter-alia included replacing of current threshold i.e. 10% (ten percent) of the listed entity's consolidated turnover, for determination of material Related Party Transactions requiring prior Shareholders' approval with the threshold of lower of Rs. 1,000 crore (Rupees One thousand crore) or 10% (ten percent) of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity. The said limits are applicable, even if the transactions are in the ordinary course of business of the concerned company and at an arm's length basis. Accordingly, the threshold for determination of material Related Party Transactions under Regulation 23(1) of the Listing Regulations has been reduced with effect from April 1, 2022.

The Company in the ordinary course of its business and on an arm's length basis, undertakes sales, purchase or supply of any good and/or material directly or through appointment of agent and selling or otherwise disposing of or buying, renting and leasing properties of any kind availing or rendering or availing of any services or giving or / and taking of loan or providing security or guarantee for loan taken, etc. to Rishabraj Estate Developers Private Limited, a related party.

Being a material Related Party Transaction, the Members had, through postal ballot dated December 31, 2019, accorded approval for the Company to enter into the various transactions with Rishabraj Estate Developers Private Limited for an aggregate value of 30 crore per annum. No such transactions has taken place with aforesaid related party during the financial year 2021-22.

In view of the changes in the threshold for determining the related party transactions that require prior shareholder approval and considering the fact that the list of related parties will change dynamically with no action on the part of the Company and to facilitate seamless contracting and rendering/availing of goods and services between the Company and "related parties", the Company seeks the approval of the shareholders to approve entering into contracts/arrangements within the thresholds and conditions mentioned in the resolution. All the contracts/arrangements and the transactions with "related parties" are reviewed and approved by the Audit Committee.

The details of the proposed transactions with Rishabraj Estate Developers Private Limited as required under SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2021/662 dated 22nd November, 2021, are given in Annexure - B hereto, and forms a part of this Notice.

The said transaction(s)/contract(s)/arrangement(s) have been recommended by the Audit Committee and Board of Directors of the Company for consideration and approval by the Members.

Except Mr. Ratanchand D. Jain, Managing Director and his relatives, no other Directors or Key Managerial Personnel of the Company or their respective relatives are, in any way, concerned or interested in the resolution set out at Item No. 9 of the Notice.

Item No. 10

Pursuant to Section 185 of the Companies Act, 2013 (as amended by the Companies (Amendment) Act, 2017, a Company may advance any loan including any loan represented by book debt, or give any guarantee or provide any security in connection with any loan taken by any entity (said entity(ies) covered under the category of 'a person in whom any of the director of the Company is interested' as specified in the explanation to Section 185(2)(b) of the Companies Act, 2013, after passing a special resolution in the general meeting.

The Board of Directors has proposed to advance loan or give guarantee or provide security in respect of any loan taken by Rishabraj

Estate Developers Private Limited for an amount not exceeding Rs.15 Crore (Rupees Fifteen Crore only) for principal business activities of Borrowing Company. The Board has also proposed that the terms and conditions will be favorable for the Company including the rate of interest will not be less than prevailing market rate.

The said resolution has been recommended by the Audit Committee and Board of Directors of the Company for consideration and approval by the Members as Special Resolution.

Except Mr. Ratanchand D. Jain, Managing Director and his relatives, no other Directors or Key Managerial Personnel of the Company or their respective relatives are, in any way, concerned or interested in the resolution set out at Item No. 10 of the Notice.

Analysis of revenue growth

The overall financial performance on consolidated basis is satisfactory considering the greater impact of the Covid-19 pandemic on business performance.

BUSINESS SEGMENT:**TEXTILE BUSINESS****Industry Structure and Development:**

Textile is one of India's oldest industries and has a intense presence in the national economy. Our economy is largely dependent on the textile manufacturing and trade in addition to other major industries. Textile industry plays the most important role in earning of foreign exchange and provides gainful employment to millions of people. The emerging tendency to spend more on life style products and the spread of organized retailing and e-retailing to smaller towns and even rural areas, has increased the demand for textile products in the domestic market. The industry is expected to grow substantially in the upcoming years and also in the long run.

a. Opportunities and Threats:

The future for the Indian textile industry looks promising, by both strong domestic consumption as well as export demand. The Covid-19 pandemic outbreak has brought considerable human suffering and major economic disruption globally with the growth prospects of the global economy becoming highly uncertain. The adverse impact on global business confidence has been witnessed in the F.Y. 2021-2022 with financial markets demonstrating high volatility and capital flight, especially in emerging market economies where investors have been major sellers in stock markets.

b. Outlook

Textile business performance during the year 2021-2022 was impacted due to Covid-19 Pandemic and even during these difficult circumstances, the Company is taking all efforts to improve sales to get more orders at competitive rates.

c. Challenges

Textile industry is always subject to facing crisis in a cyclical way and increased competition due to surplus capacity in the country has resulted in pressure on margins due to price under cutting in the market. Timely action is needed to overcome this situation by taking corrective and proactive steps, then and there. Rupee values in the global market has affected in the past few months thus making it extremely difficult to be competitive at a time when some of our major competing countries are depreciating

against dollar and exporters are being badly affected. Indian textile industry needs to overcome some of the threats looming large in this front.

ii. REAL ESTATE BUSINESS

a. Industry Structure and Development

Real estate is one of the major contributors to India's GDP. The market saw several progressive policy reforms in the last couple of years. The three major reforms - the introduction of GST, the launch of RERA and the grant of infrastructure status to affordable housing properties - have had a massive and positive impact on the industry. With the introduction of various reforms, the real-estate industry saw the exit of less serious players, leaving the market to the professional builders and developers. Considering the various beneficial real estate trends listed above, experts are optimistic about the future of the real estate industry in the country and look forward to brighter days. The overall economy and specially the real estate sector had been in the downward curve in the whole of the F.Y. 2021-2022 because of liquidity crisis and overall economic slowdown due to ongoing Covid-19 pandemic and its impact on economy.

b. Opportunities and Threats:

Micro markets with good infrastructure and easy connectivity as well as mixed-use development propositions expects to do well. In the wake of the Covid-19, depreciating rupee coupled with lower returns from stocks and mutual funds and economic uncertainty will make buyers/investors prefer ready to move in apartments over under-construction projects. Due to economic collapse on account of Covid-19 and loss of job opportunities, Real Estate investments will be the last priority on the consumer's list. Now the Real Estate sector may see an upswing in demand.

c. Outlook

As the India's property market has struggled in recent years amid high interest rates and slowing economy but by introducing various measures, the government has given boost to the sector by inspiring confidence to the builders as well as the buyers. We are expecting F.Y. 2022-2023 will be the better year for the Indian economy as a whole in view of various measures being taken by the government. Timely attention to the real asset sector has unlocked various benefits which RRIL enjoys.

d. Challenges

With uncertainty about the economy projects would now be delayed due to Covid-19. The major challenges to our business are constraints of funds, human resources, change in government policy's and legal compliances and completing the merger of KRKumar Industries Ltd with RRIL Ltd.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY: -

The Company has in place well established framework of internal control system which commensurate with the size and complexity of its business. The Company has an independent internal audit function covering major areas of operations and is carried out by external firms of Chartered Accountants engaged for this purpose.

STATEMENT OF CAUTION:

Statements in this Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectations may be 'forward looking statements' within the meaning of applicable laws and regulations and based on the fact that the Resolution Plan for the Company has been implemented. These statements have been based on current expectations and projections about future events. Wherever possible, all precautions have been taken to identify such statements by using words such as 'anticipate', 'estimate', 'expect', 'project', 'intend', 'plan', 'believe' and words of similar substance in connection with any discussion of future performance. Such statements, however, involve known and unknown risks, significant changes in political and economic environment in India or key markets abroad, tax laws, litigation, labour relations, exchange rate fluctuations, interest and other costs and may cause actual results to differ materially. There is no certainty that these forward-looking statements will be realised, although due care has been taken in making these assumptions. There is no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

INDEPENDENT AUDITOR'S REPORT**To the Members of RRIL Limited****Report on the Standalone Ind AS Financial Statements****Opinion**

We have audited the accompanying standalone **Ind AS** financial statements of **RRIL Limited**. ("the Company"), which comprise the Balance Sheet as on 31st March, 2022, the Statement of Profit and Loss and Cash Flow Statement for the year ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31 March 2022, and its Profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act.

Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

- a. Refer to note no. 33(10) to the standalone financial results regarding Merger of KRKumar Industries Limited as per Scheme of Merger by Absorption and its respective accounting entries passed and recognition of goodwill.
- b. We draw your attention to Note 33(11) to the standalone financial results regarding the amortization of goodwill till last year and testing for impairment w.e.f. 01/04/2021. We have not modified our opinion on the said matter.
- c. We draw your attention to Note 33(16) to the standalone financial results which explains the uncertainties and the management's assessment of the financial impact due to the lockdown and other restrictions imposed by the government and conditions related to COVID-19 pandemic situation, for which a definitive assessment of the impact is highly dependent upon the circumstances as they evolve in the subsequent period. Our opinion is not modified in the respect of this matter.

Other Matters

Due to the COVID-19 pandemic and the lockdown and other restrictions imposed by the Government and the local administration, the audit processes were carried out based on the remote access to the extent available/feasible and necessary records made available by the management through digital medium. Our opinion is not modified in respect of the above matter.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Management and Board of Directors of the Company are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) specified under Section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2015 (as amended).

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgement and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial control, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements Ind AS that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either

intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "**Annexure A**", a statement on the matters specified in paragraphs 3 and 4 of the Order.

Further to our comments in Annexure A, as required by section 143(3) of the Act, we further report that:

- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b) in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- c) the Balance Sheet, Statement of Profit and Loss, and cash flow statement dealt with by this Report are in agreement with the books of account;
- d) in our opinion, the aforesaid standalone financial statement comply with the applicable Accounting Standards specified under section 133 of the Act, read with the rule 7 of the Companies (Accounts) Rules, 2015 (as amended).
- e) On the basis of written representations received from the directors as on 31st March, 2022, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022, from being appointed as a director in terms of section 164(2) of the Act.
- f) We have also audited the internal financial controls over financial reporting (IFCOFR) of the Company as on 31st March 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended ason that date and our report as per "**Annexure B**" expressed an unmodified opinion.

- g) In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor's Report in accordance with the Rule 11 of the Companies (Audit and Auditors) Rules, 2015 (as amended):
- i. The Company does not have any pending litigations which would impact on its financial position in its standalone Ind AS financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.
 - iii. During the year 2021-2022 the Company was not required to transfer to the Investor Education and Protection Fund.
- iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("intermediaries") with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Finding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.
- (d) The company has not declared or not paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.
- h) As required by Section 197(16) of the Act, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act.

“ANNEXURE B” TO INDEPENDENT AUDITORS’ REPORT OF EVEN DATE TO THE MEMBERS OF RRIL LIMITED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **RRIL Limited** (“the Company”) as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the

assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to you, the Company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

All the "financial asset" and "financial liabilities" are recognised at fair value on initial recognition, except for trade receivable which are initially recognised at transaction price. Transaction cost that are directly attributable to the acquisition of issue of "financial asset" and "financial liabilities", that are not at fair value through profit and loss, are added to the fair value on the initial recognition.</p> <p>b Subsequent measurement</p> <p>Non derivative financial instruments</p> <p>Financial Assets at amortised cost</p> <p>This category is the most relevant to the Company. All the Loans and other receivables under "financial assets (except Investments) are non-derivative "financial assets with "fixed or determinable payments that are not quoted in an active market. Trade receivables do not carry any interest and are stated at their nominal value as reduced by impairment amount.</p> <p>c Financial Assets at Fair Value through Profit or Loss/Other comprehensive income</p> <p>Instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.</p> <p>If the company decides to classify an instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity.</p> <p>d Financial liabilities</p> <p>The measurement of "financial liabilities depends on their classification, as described below:</p> <p>i Trade & other payable</p> <p>After initial recognition, trade and other payables maturing within one year from the Balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.</p> <p>ii Derecognition</p> <p>A "financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing "financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.</p>
14	<p>Revenue Recognition:</p> <p>a Operating Revenue</p> <p>The Company is engaged in the Business of textiles and development of property. Revenue from sale of properties under construction is recognised on the basis of actual bookings done (provided the significant risks and rewards have been transferred to the buyer and there is reasonable certainty of realisation of the monies). Revenue from textiles is recognised when it is earned and no significant uncertainty exists as to its realization or collection</p> <p>Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts, price concessions, incentives, and returns, if any, as specified in the contracts with the customers. Revenue excludes taxes collected from customers on behalf of the government. Accruals for discounts/incentives and returns are estimated (using the most likely method) based on accumulated experience and underlying schemes and agreements with customers. Due to the short nature of credit period given to customers, there is no financing component in the contract.</p> <p>Further Sales from real estate are net of cancellation of sale and amount payable to the developer and taxes, if any.</p> <p>b Income from Services</p> <p>Revenue is reconized from rendering of services when the performance obligation is satisfied and the services are</p>

	<p>rendered in accordance with the terms of customer contracts. Revenue is measured based on the transaction price, which is the consideration, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.</p>
	<p>c Interest income Interest income is recognised on an accrual basis using effective interest rate (EIR) method</p>
	<p>d Trade Receivable A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).</p>
15	<p>Inventories</p> <p>a The inventories (including traded goods) are valued at lower of cost and net realisable value after providing for cost of obsolescence wherever considered necessary. Cost includes all charges in bringing the goods to their present location and condition. Work-in-progress and finished goods include appropriate proportion of overheads and, statutory taxes as applicable. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.</p> <p>b Inventory representing project work-in-progress is valued at cost, which includes expenditure incurred for development, other related cost and cost of land.</p>
16	<p>Employee Benefits Company does not have any policy for Leave Encashment or any other pension plans/schemes. All the unused leaves outstanding as on 31st March gets lapsed and does not get accumulated.</p>
17	<p>Earning Per Share Basic and diluted earnings per share are computed by dividing the net profit attributable to equity shareholders for the year, by the weighted average number of equity shares outstanding during the year.</p>
18	<p>Borrowing Cost: Borrowing costs consist of interest and other costs incurred in connection with the borrowing of funds. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs; Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a substantial period of time to get ready for its intended use) are capitalized as a part of the cost of such assets. All other borrowing costs are charged to the Statement of Profit and Loss;</p>
19	<p>Foreign currency transaction Transactions denominated in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction. As at the Balance Sheet date, foreign currency monetary items are translated at closing exchange rate. Exchange difference arising on settlement or translation of foreign currency monetary items are recognised as income or expense in the year in which they arise. Foreign currency non-monetary items which are carried at historical cost are reported using the exchange rate at the date of transactions.</p>
20	<p>Cash and Cash Equivalents Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits which are subject to an insignificant risk of changes in value.</p>
21	<p>Cash flow statement Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.</p>
22	<p>Segment Reporting The company identifies primary segments based on the dominant source, nature of risks and returns and the internal organization and management structure. The operating segments are the segments for which separate financial management in deciding how to allocate resources and in assessing performance. The accounting policies adopted for segment reporting are in line with the accounting policies of the company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment. Based on the "Management Approach" as defined in Ind AS 108 - Operating Segments, the management evaluates</p>

The Company is primarily engaged in textile and Property development/others which the Management recognise as the business segments.</p> <p>Tax on Income</p> <p>Tax expenses are the aggregate of current tax and deferred tax charged or credited in the statement of Profit and Loss for the year.</p> <p>a Current Tax</p> <p>Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The Company determines the tax as per the provisions of Income Tax Act 1961 and other rules specified thereunder.</p> <p>b Deferred Tax</p> <p>Deferred tax is provided using the Balance method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for "financial reporting purposes at the reporting date.</p> <p>Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.</p> <p>The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.</p> <p>Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date.</p> <p>Deferred Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.</p> <p>Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.</p>

1	Contingent Liabilities and Capital Commitment		
	Contingent Liabilities in respect of Stamp Duty matters Rs. 67.99 lacs (Previous year Rs. 67.99 lacs).		
	Contingent Liabilities in respect of Income Tax matters Rs. 0.45 lacs (Previous year Rs. 0.77).		
2	Deferred Tax		
	Under previous GAAP, Deferred Taxes are recognised for the tax effects of timing difference between accounting profit and taxable profit for the year using the Income Statement approach, Under Ind AS, Deferred Taxes are required to be recognised using the balance sheet approach for future tax consequences of temporary differences between the carrying value of assets and liabilities and their respective tax bases. Further, Deferred Tax asset shall be recognised for the carry forward of unused tax losses and credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and credits can be utilised as against virtual certainty for future taxable profit as required by previous GAAP. Due to amendment to the Income Tax Act, 1961 in the Budget 21, the depreciation on Goodwill is no more allowed and the Company has been claiming this benefit till last year. Due to permanent nature of difference because of amendment the WDV of Goodwill is not considered for calculation of Deferred Tax Assets.		
3	Segment Information		
	The primary segment reporting format is determined to be business segments as the company's risks and rates of return are affected predominantly by differences in the segments being operated, Secondary information is reported geographically. Accordingly, the Company has identified " Textiles", " Real Estate Development" as the operating segments.		
	The Company operates only in India and therefore the analysis of geographical segments is limited to Indian operations only.

Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities. The Company's Board of Director oversees how management monitors compliance with the Group's risk management policies and procedures and reviews the adequacy of the risk management framework in relation to the risks faced by the Group. The Board of Directors is assisted in its oversight role by internal audit team. Internal audit team undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the Board of Directors.</p> <p>Company has exposure to the following risks arising from financial instruments:</p> <ul style="list-style-type: none"> • Credit risk; • Liquidity risk; • Market risk 																													
a	<p>Credit risk :</p> <p>Credit risk arises from the possibility that customers or counterparty to financial instruments may not be able to meet their obligations. To manage this, the Group periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, analysis of historical bad debts and ageing of accounts receivable. Credit risks arises from cash and cash equivalents, deposits with banks, financial institutions and others, as well as credit exposures to customers, including outstanding receivables.</p> <p>The company factors such as track record, size of institutions, market reputation and service standards to select banks with which balances and deposits are maintained. the balances and fixed deposits are generally maintained with the banks with whom the Group has regular transactions. Further, the Group does not maintain significant cash in hand other than those required for its day to day operations. Considering the same, the Group is not exposed to expected credit loss of cash and cash equivalent and bank balances.</p> <p>The company has established a credit policy under which each new customer is analysed individually for creditworthiness before entering into contract. Sale limits are established for each customer, reviewed regularly and any sales exceeding those limits require approval from the appropriate authority. There are no significant concentrations of credit risk within the Group.</p>																													
b	<p>Liquidity risk :</p> <p>Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to Company reputation.</p> <p>Management monitors rolling forecasts of the company liquidity position and cash and cash equivalents on the basis of expected cash flows to ensure it has sufficient cash to meet operational needs. INDEPENDENT AUDITOR'S REPORT**To the Members of RRIL Limited****Report on the Consolidated Ind AS Financial Statements****Opinion**

We have audited the accompanying consolidated **Ind AS** financial statements of **RRIL Limited** ("the Company"), and its subsidiaries, which comprise the Consolidated Balance Sheet as on 31st March, 2022, the Consolidated Statement of Profit and Loss and Consolidated Cash Flow Statement for the year ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31 March 2022, and its consolidated Profit and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act.

Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

- a. Refer to note no. 45 to the consolidated financial results regarding Merger of KRKumar Industries Limited as per Scheme of Merger by Absorption and its respective accounting entries passed and recognition of goodwill.
- b. We draw your attention to Note 45 to the consolidated financial results regarding the amortization of goodwill till last year and testing for impairment w.e.f. 01/04/2021. We have not modified our opinion on the said matter.
- c. We draw your attention to Note No. 52 to the Consolidated Financial Statements which explains the uncertainties and the management's assessment of the financial impact due to the lockdown and other restrictions imposed by the government and conditions related to COVID-19 pandemic situation, for which a definitive assessment of the impact is highly dependent upon the circumstances as they evolve in the subsequent period. Our opinion is not modified in the respect of this matter.

Other Matters

Due to the COVID-19 pandemic and the lockdown and other restrictions imposed by the Government and the local administration, the audit processes were carried out based on the remote access to the extent available/feasible and necessary records made available by the management through digital medium. Our opinion is not modified in respect of the above matter.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Management and Board of Directors of the Holding Company are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation of these consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) specified under Section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2015 (as amended).

The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgement and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial control, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated

financial statements Ind AS that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, respective Board of Directors of the companies included in the Group is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the group are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

- We did not Audit the financial statements of Raj Rajendra Industries Ltd, a subsidiary, The consolidated financial statement also include the Groups share of Net Profit for the year ended on 31st March 2022. These Financial Statements have been audited by other auditor whose report has been furnished to us by the management and our opinion on consolidated financial statement, in so far as it relates to the amounts and disclosure included in respect of the subsidiary, and our report in terms of sub section (3) of section 143 of the act, in so far as it relates to the aforesaid subsidiary, is based solely on report of the other auditor.
- Our opinion on consolidated financial statements, and our report on Other Legal Regulatory Requirements below, is not modified in respect of above matters with respect to our reliance on the work done and the reports of the other auditor and the financial statements certified by the management.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:

- a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the above consolidated financial statements;

- e. On the basis of written representations received from the directors of the Holding Company as on 31st March, 2022, and taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary incorporated in India, none of the directors of the Group Companies is disqualified as 31st March, 2022, from being appointed as a director in terms of section 164(2) of the Act.
- f. We have also audited the internal financial controls over financial reporting (IFCOFR) of the Group as on 31st March 2022 in conjunction with our audit of the consolidated financial statements of the Group for the year ended on that date and our report as per “Annexure A” expressed an unmodified opinion.
- g. In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor’s Report in accordance with the Rule 11 of the Companies (Audit and Auditors) Rules, 2015 (as amended):
 - i. The Group does not have any pending litigations which would impact on its financial position in its standalone Ind AS financial statements.
 - ii. The Group did not have any long-term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.
 - iii. During the year 2021-2022 the Company was not required to transfer to the Investor Education and Protection Fund.
 - iv.
 - (a) The management has represented that, to the best of it’s knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities (“intermediaries”) with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented that, to the best of it’s knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Finding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
 - (d) The company has not declared or not paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.
- h. As required by Section 197(16) of the Act, we report that the Group has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act.
- i. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor’s Report) Order, 2020 (the “Order”/ “CARO”) issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor’s report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiaries included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

“ANNEXURE A” TO INDEPENDENT AUDITORS’ REPORT OF EVEN DATE TO THE MEMBERS OF RRIL LIMITED CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **RRIL Limited** (“the Company”) as of March 31, 2022 in conjunction with our audit of the consolidated standalone financial statements of the Group for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and Subsidiary Company is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor is sufficient and appropriate to provide a basis for our audit opinion on the Group’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given, the Group has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Our aforesaid report under section 143(3)(i) of the Act, on the adequacy and operating effectiveness of the internal financial control over financial reporting is so far as it relates to the subsidiary company, which is a company incorporated in India, is based on the corresponding reports of the auditor of the subsidiary company. Our opinion on the Statement is not modified in respect of these matters.

2.		<p>Basis of preparation, principles of consolidation, critical accounting estimates and judgements, significant accounting policies and recent accounting pronouncements</p>
2.1.		<p>Statement of compliance</p> <p>The Consolidated Financial Statements of the Group which comprise the Consolidated Balance Sheet as at 31st March, 2022, the Consolidated Statement of Profit and Loss, the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year ended 31st March, 2022, and a summary of the significant accounting policies and other explanatory information (together hereinafter referred to as "Consolidated Financial Statements") have been prepared in accordance with Indian Accounting Standards notified under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, the provisions of the Companies Act, 2013 ("the Act") to the extent notified, guidelines issued by the Securities and Exchange Board of India (SEBI) and other accounting principles generally accepted in India. The Consolidated Financial Statements have been approved by the Board of Directors in its meeting held on 30th May, 2022.</p>
2.2.		<p>Principles of consolidation</p>
	(a)	<p>Subsidiaries</p> <p>Subsidiaries are entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of that entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. The Group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intra-Group transactions, balances and unrealised gains on transactions between entities within the Group are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group. Non-controlling interests in the results and equity of subsidiaries are shown separately in the Consolidated Statement of Profit and Loss, Consolidated Statement of Changes in Equity and the Consolidated Balance Sheet respectively.</p>
	(b)	<p>Changes in ownership interests</p> <p>The Group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the Group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity. When the Group ceases to consolidate or equity account for an investment because of a loss of control, joint control or significant influence, any retained interest in the entity is re-measured to its fair value with the change in carrying amount recognised in profit or loss. This fair value becomes the initial carrying amount for the purposes of subsequently accounting for the retained interest as an associate, joint venture or financial asset. In addition, any amounts previously recognised in Other Comprehensive Income in respect of that entity are accounted for as if the Group had directly disposed of the related assets or liabilities. This may mean that amounts previously recognised in Other Comprehensive Income are reclassified to the Statement of Profit and Loss. If the ownership interest in a joint venture or an associate is reduced but joint control or significant influence is retained, only a proportionate share of the amounts previously recognised in Other Comprehensive Income are reclassified to the Statement of Profit and Loss where appropriate.</p>

2.5.		<p>Fair value measurement</p> <p>Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal market or the most advantageous market must be accessible to the Company.</p> <p>The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.</p> <p>A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.</p> <p>The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.</p> <p>All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as below:</p> <p>Level 1 – Unadjusted quoted price in active markets for identical assets and liabilities.</p> <p>Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.</p> <p>Level 3 – unobservable inputs for the asset or liability.</p> <p>For assets and liabilities that are recognised in the financial statements at fair value on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period.</p> <p>For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of fair value hierarchy.</p> <p>Fair values have been determined for measurement and / or disclosure purpose using methods as prescribed in "Ind AS 113 Fair Value Measurement".</p>

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022
Note No.
i. Property, Plant and Equipment and Depreciation
Recognition and measurement

Property, plant and equipment is stated at cost less accumulated depreciation and where applicable accumulated impairment losses. Property, plant and equipment and capital work in progress cost include expenditure that is directly attributable to the acquisition of the asset. The cost of self-constructed assets includes the cost of materials, direct labour and any other costs directly attributable to bringing the asset to a working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located. Purchased software that is integral to the functionality of the related equipment is capitalized as part of that equipment.

Capital work-in-progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date.

ii. Depreciation and useful lives

The Company depreciates its fixed assets over the useful life in the manner prescribed in Schedule II of the Companies Act 2013, as against the earlier practice of depreciating at the rates and in the manner prescribed in Schedule XIV to the Companies Act, 1956.

Depreciation is provided using the useful life of the asset estimated by the management, detail of which are as under:

Sr. No.	Name of the Assets (Tangible)	Estimated Useful Life (in Years)
1	Computers & Laptop	3
2	Printers	6
3	Office equipment's	5
4	Software	1
5	Motor Car	8-10

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year-end and adjusted prospectively, if appropriate.

iii. De-recognition

An item of property, plant and equipment and any significant part initially recognised is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is de-recognised.

iv. Intangible assets

The Management has been following the consistent practice of amortising goodwill over a period of ten years starting from 01.04.2015. The management has decided to test the goodwill for impairment w.e.f 01st April 2021 including the goodwill acquired on account of merger.

b. Presentation and disclosure of Consolidated financial statement

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosure of contingent liabilities as on the date of financial statements and reported amounts of income and expenses for the periods presented. The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Estimates and underlying assumptions are review on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

Key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year. Significant estimates and critical Judgements in applying these accounting policies are described below:

i. Property, Plant and Equipments & Depreciation - In respect of Subsidiary Company

a. Under the previous GAAP, property, plant and equipment were carried at historical cost less depreciation and impairment losses, if any. On transition to Ind AS, the Company has availed the optional exemption under Ind AS 101 and accordingly it has used the carrying value as at the date of transition i.e. 1st April, 2019 as the deemed cost of the property, plant & equipment under Ind AS.

b. Properties plant and equipment are stated at their cost of acquisition. Cost of an item of property, plant and equipment includes purchase price including non-refundable taxes and duties, borrowing cost directly attributable

Note No.	
	<p>to the qualifying asset, any costs directly attributable to bringing the asset to the location and condition necessary for its intended use and the present value of the expected cost for the dismantling/decommissioning of the asset.</p>
	<p>c. Parts (major components) of an item of property, plant and equipments having different useful lives are accounted as separate items of property, plant and equipments.</p>
	<p>d. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.</p>
	<p>e. Capital work-in-progress comprises of cost incurred on property, plant and equipment under construction / acquisition that are not yet ready for their intended use at the Balance Sheet Date.</p>
ii.	<p>Depreciation and useful lives - In respect of Subsidiary Company</p>
	<p>a. Depreciation on the property, plant and equipment (other than freehold land and capital work in progress) is provided on a straight-line method (SLM) over their useful lives which is in consonance of useful life mentioned in Schedule II to the Companies Act, 2013.</p>
	<p>b. Building on leasehold lands and improvements to building on leasehold land / premises are amortized over the period of lease or useful life whichever is lower.</p>
	<p>c. Leasehold land considered as finance lease is amortized over the period of lease.</p>
	<p>d. Depreciation methods, useful lives and residual values are reviewed at each financial year end and adjusted prospectively.</p>
iii.	<p>De-recognition</p>
	<p>An item of property, plant and equipment and any significant part initially recognised is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is de-recognised.</p>
iv.	<p>Impairment of financial assets</p>
	<p>The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculation based on industry practice, Group's past history and existing market conditions as well as forward looking estimates at the end of each reporting period.</p>
v.	<p>Income taxes</p>
	<p>Provision for tax liabilities require judgements on the interpretation of tax legislation, developments in case law and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore, the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the statement of profit and loss.</p>
2.7.	<p>Investments</p>
a.	<p>Investment in property</p>
	<p><i>Recognition and initial measurement</i></p>
	<p>Investment properties are properties held to earn rentals or for capital appreciation, or both. Investment properties are measured initially at their cost of acquisition including transaction costs. On transition to Ind AS, the Group had elected to measure all of its investment properties at the previous GAAP carrying value (deemed cost). The cost comprises purchase price, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. When significant parts of the investment property are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives.</p>
	<p>Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group. All other repair and maintenance costs are recognised in statement of profit and loss as incurred. The cost includes the cost of replacing parts and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the investment property are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in profit or loss as incurred.</p>
	<p>Transfers are made to (or from) investment property only when there is a change in use. For a transfer from investment property to owner-occupied property, the deemed cost for subsequent accounting is the carrying value at the date of change in use.</p>

	<p><i>Subsequent measurement (depreciation and useful lives)</i></p> <p>a. Standalone financial statement Investment properties are subsequently measured at cost.</p> <p>b. Consolidated financial statement Investment properties are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Depreciation on investment properties is provided on the straight-line method, over the useful lives of the assets</p> <p>b. Investment in Subsidiaries: Investments in equity shares of Subsidiaries are recorded at cost.</p> <p>c. Investments (Others) Investments are classified into Non-Current and Current Investments.</p> <p>(a) Non-Current Investments are carried at cost. Provision for diminution, if any, in the value of each Non-Current Investments is made to recognise a decline, other than of a temporary nature.</p> <p>(b) Current investments are carried individually at lower of cost and fair value and the resultant decline, if any, is charged to revenue.</p> <p>(c) Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognised in profit or loss and is included in the "Other income" line item.</p>
2.8.	<p>Impairment of Non-Financial Assets The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset or cash-generating units (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset. Unless the asset does not generate cash inflows that are largely independent of those from other assets or Company's assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.</p>
2.9.	<p>Provisions, contingent liabilities, contingent assets A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risk specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources is remote, no provision or disclosure is made. The Company does not recognize a contingent asset but discloses its existence in the financial statements if the inflow of economic benefits is probable. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset. Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.</p>
2.10.	<p>Provision for doubtful advances and trade receivables: The Company is not significantly exposed to credit risk as most of the sales are in cash, credit cards or redeemable vouchers issued by others. Similarly advance to parties are made in normal course of business as per terms and conditions of the contract. Since the amount involved is not material, the Company does not calculate any credit loss for trade receivables and advances to parties as required under Ind AS 109 'Financial Instruments'. However, the company provides for doubtful advances and trade receivables based on its Judgements about recoverability of amount.</p>
2.11.	<p>Financial instruments A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification of financial assets

Debt instruments that meet the following conditions are subsequently measured at amortised cost (except for debt instruments that are designated as at fair value through profit or loss on initial recognition):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are subsequently measured at fair value.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the gross carrying amount on initial recognition.

Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognised in profit or loss and is included in the "Other income" line item.

Investments in equity instruments at FVTOCI

On initial recognition, the Company can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

A financial asset is held for trading if:

- It has been acquired principally for the purpose of selling it in the near term; or
- On initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- It is a derivative that is not designated and effective as a hedging instrument or a financial guarantee. Dividends on these investments in equity instruments are recognised in profit or loss when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably. Dividends recognised in profit or loss are included in the 'Other income' line item.

Financial assets at fair value through profit or loss (FVTPL)

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading.

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022
Note No.
Impairment of financial assets in the case of Subsidiary company

The Company recognizes loss allowances using the expected credit loss (ECL) model based on 'simplified approach' for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the twelve month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in statement of profit and loss account.

De-recognition of financial asset

The Company de-recognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

On de-recognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

ii.

Financial liability and equity instrument
Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs. Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

However, financial liabilities that arise when a transfer of a financial asset does not qualify for de-recognition or when the continuing involvement approach applies, financial guarantee contracts issued by the Company, and commitments issued by the Company to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies set out below.

Financial liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

A financial liability is classified as held for trading if:

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022
Note No.

- it has been incurred principally for the purpose of repurchasing it in the near term; or
 - on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
 - it is a derivative that is not designated and effective as a hedging instrument.
- A financial liability other than a financial liability held for trading or contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies, may be designated as at FVTPL upon initial recognition if:
- such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise;
 - the financial liability forms part of a group of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the Company's documented risk management or investment strategy, and information about the grouping is provided internally on that basis; or
 - it forms part of a contract containing one or more embedded derivatives, and Ind AS 109 permits the entire combined contract to be designated as at FVTPL in accordance with Ind AS 109.

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on re-measurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any interest paid on the financial liability and is included in the 'Other income' line item.

However, for non-held-for-trading financial liabilities that are designated as at FVTPL, the amount of change in the fair value of the financial liability that is attributable to changes in the credit risk of that liability is recognised in other comprehensive income, unless the recognition of the effects of changes in the liability's credit risk in other comprehensive income would create or enlarge an accounting mismatch in profit or loss, in which case these effects of changes in credit risk are recognised in profit or loss. The remaining amount of change in the fair value of liability is always recognised in profit or loss. Changes in fair value attributable to a financial liability's credit risk that are recognised in other comprehensive income are reflected immediately in retained earnings and are not subsequently reclassified to profit or loss account.

Gains or losses on financial guarantee contracts and loan commitments issued by the Company that are designated by the Company as at fair value through profit or loss are recognised in profit or loss account.

Financial liabilities subsequently measured at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item. The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability or (where appropriate) a shorter period, to the gross carrying amount on initial recognition.

Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by the Company are initially measured at their fair values and, if not designated as at FVTPL, are subsequently measured at the higher of:

- the amount of loss allowance determined in accordance with impairment requirements of Ind AS 109; and
- the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 18.

Commitments to provide a loan at a below-market interest rate

Commitments to provide a loan at a below-market interest rate are initially measured at their fair values and, if not designated as at FVTPL, are subsequently measured at the higher of:

- the amount of loss allowance determined in accordance with impairment requirements of Ind AS 109; and
- the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 18.

			<p>Compound financial instruments</p> <p>The liability component of a compound financial instrument is recognised initially at fair value of a similar liability that does not have an equity component. The equity component is recognised initially as the difference between the fair value of the compound financial instrument as a whole and the fair value of the liability component. Any directly attributable transaction costs are allocated to the liability and the equity components, if material, in proportion to their initial carrying amounts.</p> <p>Subsequent to the initial recognition, the liability component of a compound financial instrument is measured at amortised cost using the effective interest rate method. The equity component of a compound financial instrument is not re-measured subsequent to initial recognition except on conversion or expiry.</p> <p>Offsetting of financial instruments</p> <p>Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.</p> <p>Reclassification</p> <p>The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.</p> <p>Trade & other payable</p> <p>After initial recognition, trade and other payables maturing within one year from the Balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.</p> <p>De-recognition of financial liabilities</p> <p>The Company de-recognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability de-recognised and the consideration paid and payable is recognised in profit or loss.</p> <p>Revenue recognition</p> <p>Sale of goods and rendering of Services</p> <p>a. Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services. The Group has generally concluded that it is the principal in its revenue arrangements because it typically controls the goods and services before transferring them to the customers.</p> <p>b. Revenue from sale of properties under construction is recognised on the basis of actual bookings done (provided the significant risks and rewards have been transferred to the buyer and there is reasonable certainty of realisation of the monies).</p> <p>c. Interest income is recognised on time proportion basis taking into account the amount outstanding and rate applicable.</p> <p>d. Dividend income on investment is accounted for in the period/year in which the right to receive the same is established.</p> <p>e. Service income is recognised upon rendering of services. Service income is recorded net of service tax/GST.</p> <p>f. Rental income (net of taxes) on assets given under operating lease arrangements is recognised on a straight-line basis over the period of the lease unless the receipts are structured to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases.</p>

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

Note No.	
2.13.	<p>Trade Receivable</p> <p>A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).</p>
2.14.	<p>Inventories</p> <p>The inventories (including traded goods) are valued at lower of cost and net realisable value after providing for cost of obsolescence wherever considered necessary. The inventories (including traded goods) are valued at lower of cost and net realisable value after providing for cost of obsolescence wherever considered necessary. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.</p> <p>The cost comprises of costs of purchase, duties and taxes (other than those subsequently recoverable), conversion cost and other costs incurred in bringing the inventories to their present location and condition.</p> <p>In case of work in progress and finished goods, the costs of conversion include costs directly related to the units of production and systematic allocation of fixed and variable production overheads. The cost of finished goods also includes excise duty wherever applicable.</p>
2.15.	<p>Employee benefits</p> <ul style="list-style-type: none"> • Short term employee benefits <p>All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss in the period in which the employee renders the related service.</p> • Post-employment benefits & other long term benefits <ol style="list-style-type: none"> a. Defined contribution plan <p>The defined contribution plan is a post-employment benefit plan under which the Group contributes fixed contribution to a Government Administered Fund and will have no obligation to pay further contribution. The Group's defined contribution plan comprises of Provident Fund and Employee State Insurance Scheme. The Company's contribution to defined contribution plans are recognized in the Statement of Profit and Loss in the period in which the employee renders the related service.</p> b. Post-employment benefit and other long term benefits <p>The Group has defined benefit plans comprising of gratuity. The present value of the defined benefit obligations is determined based on actuarial valuation using the projected unit credit method. The rate used to discount defined benefit obligation is determined by reference to market yields at the Balance Sheet date on Indian Government Bonds for the estimated term of obligations.</p> <p>For gratuity plan, re-measurements comprising of (a) actuarial gains and losses and (b) the effect of the asset ceiling (excluding amounts included in net interest on the net defined benefit liability) are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Such re-measurements are not reclassified to Statement of Profit and Loss in subsequent periods.</p> <p>Gains or losses on the curtailment or settlement of defined benefit plan are recognised when the curtailment or settlement occurs.</p> <p>Actuarial gains or losses arising on account of experience adjustment and the effect of changes in actuarial assumptions for other employee benefit plan [other than gratuity] are recognized immediately in the Statement of Profit and Loss as income or expense.</p>
2.16.	<p>Leases - In respect of Subsidiary Company</p> <p>The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.</p> <p>Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.</p> <p>The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and</p>

	<p>impairment losses.</p> <p>Right-of-use assets are depreciated on a straight-line basis over the lease term. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets.</p> <p>The lease liability is initially measured at amortised cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.</p> <p>Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.</p>
2.17.	<p>Borrowing cost</p> <p>Borrowing costs (net of interest income on temporary investments) that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of the cost of the respective asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset which necessarily takes a substantial period of time to get ready for its intended use or sale. Ancillary cost of borrowings in respect of loans not disbursed are carried forward and accounted as borrowing cost in the year of disbursement of loan. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest expenses calculated as per effective interest method, exchange difference arising from foreign currency borrowings to the extent they are treated as an adjustment to the borrowing cost and other costs that an entity incurs in connection with the borrowing of funds</p>
2.18.	<p>Foreign currency transaction</p> <p>Transactions denominated in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction. As at the Balance Sheet date, foreign currency monetary items are translated at closing exchange rate. Exchange difference arising on settlement or translation of foreign currency monetary items are recognised as income or expense in the year in which they arise.</p> <p>Foreign currency non-monetary items which are carried at historical cost are reported using the exchange rate at the date of transactions.</p>
2.19.	<p>Earnings per share</p> <p>Basic and diluted earnings per share are computed by dividing the net profit attributable to equity shareholders for the year, by the weighted average number of equity shares outstanding during the year.</p>
2.20.	<p>Government grants</p> <p>Government grants are recognized in the period to which they relate when there is reasonable assurance that the grant will be received and that the Company will comply with the attached conditions. Government grants are recognized in the Statement of Profit and Loss on systematic basis over a period in which the Company recognizes as expenses the related costs for which the grants are intended to compensate.</p>
2.21.	<p>Cash and cash equivalent</p> <p>Cash and cash equivalents include cash in hand, bank balances, deposits with banks (other than on lien) and all short term and highly liquid investments that are readily convertible into known amounts of cash and are subject to an insignificant risk of changes in value.</p> <p>For the purpose of cash flow statement, cash and cash equivalent as calculated above also includes outstanding bank overdrafts as they are considered an integral part of the Company's cash management.</p>
2.22.	<p>Cashflow statement</p> <p>Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.</p>
2.23.	<p>Segment Reporting</p> <p>The company identifies primary segments based on the dominant source, nature of risks and returns and the internal organization and management structure. The operating segments are the segments for which separate financial management in deciding how to allocate resources and in assessing performance. The accounting</p>

2.24.	<p>policies adopted for segment reporting are in line with the accounting policies of the company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.</p> <p>Taxes on income</p> <p>Current Tax</p> <p>Tax expenses for the year comprises of current tax, deferred tax charge or credit and adjustments of taxes for earlier years. In respect of amounts adjusted outside profit or loss (i.e. in other comprehensive income or equity), the corresponding tax effect, if any, is also adjusted outside profit or loss.</p> <p>Provision for current tax is made as per the provisions of Income Tax Act, 1961.</p> <p>Deferred tax</p> <p>Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences, and deferred tax assets are recognised for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry forward tax losses and allowances can be utilised.</p> <p>Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxation authority.</p> <p>Deferred tax assets are recognised only to the extent that it is probable that future taxable profit will be available against which such deferred tax assets can be utilized. In situations where the Company has unused tax losses and unused tax credits, deferred tax assets are recognised only if it is probable that they can be utilized against future taxable profits. Deferred tax assets are reviewed for the appropriateness of their respective carrying amounts at each Balance Sheet date.</p> <p>At each reporting date, the Company re-assesses unrecognised deferred tax assets. It recognises previously unrecognised deferred tax assets to the extent that it has become probable that future taxable profit allow deferred tax assets to be recovered.</p>

a. Under previous GAAP, Deferred Taxes are recognised for the tax effects of timing difference between accounting profit and taxable profit for the year using the Income Statement approach, Under Ind AS, Deferred Taxes are required to be recognised using the balance sheet approach for future tax consequences of temporary differences between the carrying value of assets and liabilities and their respective tax bases. Further, Deferred Tax asset shall be recognised for the carry forward of unused tax losses and credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and credits can be utilised as against virtual certainty for future taxable profit as required by previous GAAP. Due to amendment to the Income Tax Act, 1961 in the Budget 21, the depreciation on Goodwill is no more allowed and the Company has been claiming this benefit till last year. Due to permanent nature of difference because of amendment the WDV of Goodwill is not considered for calculation of Deferred Tax Assets.

b. The Management has been following the consistent practice of amortising goodwill over a period of ten years starting from 01.04.2015. The management has decided to test the goodwill for impairment w.e.f 01st April 2021 including the goodwill acquired on account of merger.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31.03.2022

(Amount in lacs)

Note No.		
	<p>The Group has a defined benefit gratuity plan for its employees. The gratuity plan is governed by the Payment of Gratuity Act, 1972. Under the Act, every employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the employee's length of service and salary at retirement age. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn) for each completed year of service as per the provisions of the Payment of Gratuity Act, 1972. The scheme is unfunded.</p> <p>Risks associated with plan provisions</p> <p>Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such Company is exposed to various risks as follows:</p>	
	Investment/ asset risk	The defined benefit obligation is calculated using a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.
	Salary inflation risk	Higher than expected increases in salary will increase the defined benefit obligation.
	Demographic risk	This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria.
	For determination of the liability in respect of compensated gratuity, the Group has used following actuarial assumptions:	
	Particulars	31.03.2022 31.03.2021
	Discount Rate (per annum)	7.11% 6.77%
	Salary Escalation (per annum)	3.50% 3% - 4%

42	<p>There is no single customer represents 10% or more of the Company's total revenue during the year ended 31.03.2022 and 31.03.2021</p> <p>The outbreak of COVID-19 across the globe and in India has resulted in pandemic requiring unprecedented steps to combat it. Consequent to the nation-wide lockdown imposed by the Central Government from March 23, 2020 to prevent the spread thereof, the Group had to shut down its factories and all its operational activities across its locations, impacting the business during the quarter. The Group has taken and shall continue to take various precautionary measures to protect employees and their families from COVID-19.</p> <p>Significant decline in the economic activity of the whole nation and the disruption created across the businesses have affected the operations of the Group as well, the impact whereof would evolve around the developments taking place in forthcoming months.</p> <p>The operations of the Group have resumed in a partial manner at manufacturing locations from June 2020, taking cognizance of the Governments' views around resuming manufacturing activities with controlled entry and exit facilities, maintaining appropriate distancing and following other directives of the regulatory authorities.</p> <p>Further, the Group expects to recover the carrying amount of all its assets including inventory, receivables and loans in the ordinary course of business based on information available on current economic conditions. The Group is continuously monitoring any material changes in future economic conditions for taking prompt corrective actions within its purview and would keep assessing the impact for taking appropriate cognizance in financial reporting in the forthcoming quarters.</p>

	Fair valuation techniques							
The Group maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.								
The management assessed that fair value of Trade receivables (net), Cash and cash equivalents, Loans, Current borrowings, Trade payables and Other current financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments. Further, the management has assessed that fair value will be approximate to their carrying amounts as they are priced to market interest rates on or near the end of reporting period.

(c)	Fair value hierarchy						
	Financial assets and financial liabilities are measured at fair value in the financial statement and are grouped into three levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:						
	Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities.						
	Level 2 : Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.						
	Level 3 : Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.						
(d)	Financial assets/ liabilities measured at fair value						
	The following table represents the fair value hierarchy of assets and liabilities measured at fair value on a recurring basis.						
	Particulars	Level	31.03.2022		31.03.2021		
			Carrying value	Fair value	Carrying value	Fair value	
	Financial assets						
	Non-current investments	Level 3	345.72	345.72	345.72	345.72	
	Total financial assets		345.72	345.72	345.72	345.72	
(e)	Valuation techniques used to determine fair value						
	The level 3 hierarchy includes financial assets measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.						
	(a) Discounted cash flow method (income approach) is used for valuation of investment in equity instruments.						
(f)	The following table summarizes the quantitative information about the significant unobservable inputs used in level 3 fair value measurements. See (e) above for the valuation techniques adopted.						
	Sr. No.	Particulars	Fair value as at 31.03.2021 & 31.03.2022	Significant unobservable inputs	Probability - Weighted range	Sensitivity Impact[^]

(i)	The above disclosures are given only for non-current financial assets and non-current financial liabilities. Short term financial assets and current financial liabilities (investment, cash and cash equivalents, other receivables, trade payables and other current financial liabilities) represents the best estimate of fair value.						
(ii)	Management uses its best judgement in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the Group could have realised or paid in sale transactions as of respective dates. As such, fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date.						
(iii)	There have been no transfers between Level 1 and Level 2 for the years ended March 31, 2022 and March 31, 2021.						
50	Risk management framework						
	The Company's Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. The Group's risk management policies are established to identify and analyse the risk faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities. The Company's Board of Director oversees how management monitors compliance with the Group's risk management policies and procedures and reviews the adequacy of the risk management framework in relation to the risks faced by the Group. The Board of Directors is assisted in its oversight role by internal audit team. Internal audit team undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the Board of Directors.						
	The Group has exposure to the following risks arising from financial instruments:						
	<ul style="list-style-type: none"> • Credit risk; • Liquidity risk; • Market risk 						
	a	Credit risk :					
	Credit risk arises from the possibility that customers or counterparty to financial instruments may not be able to meet their obligations. To manage this, the Group periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, analysis of historical bad debts and ageing of accounts receivable. Credit risks arises from cash and cash equivalents, deposits with banks, financial institutions and others, as well as credit exposures to customers, including outstanding receivables.						
	The Group considers factors such as track record, size of institutions, market reputation and service standards to select banks with which balances and deposits are maintained. the balances and fixed deposits are generally maintained with the banks with whom the Group has regular transactions. Further, the Group does not maintain significant cash in hand other than those required for its day to day operations. Considering the same, the Group is not exposed to expected credit loss of cash and cash equivalent and bank balances.

	<p>The Group has established a credit policy under which each new customer is analysed individually for creditworthiness before entering into contract. Sale limits are established for each customer, reviewed regularly and any sales exceeding those limits require approval from the appropriate authority. There are no significant concentrations of credit risk within the Group.</p>				
b	<p>Liquidity risk :</p> <p>Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to Group's reputation.</p> <p>Management monitors rolling forecasts of the Group's liquidity position and cash and cash equivalents on the basis of expected cash flows to ensure it has sufficient cash to meet operational needs. Such forecasting takes into consideration the Group's debt financing plans, covenant compliance and compliance with internal statement of financial position ratio targets.</p>				
(i)	<p>Maturities of financial liabilities:</p> <p>The following are the remaining contractual maturities of financial liabilities at the reporting date:</p>				
	Particulars	Less than 1 year	1 to 5 year	Above 5 years	Total
	As at 31st March 2022				
	Borrowings	908.41	128.55	-	1,036.96

	Other current financial liabilities	-	-	-	-
c	<p>Market risk</p> <p>Market risk is the risk that the changes in market prices such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. The pre dominant currency of the Company's revenue and operating cash flows is Indian Rupees (INR in lacs. Company has earnings in foreign currency. There is no foreign currency risk as there is no outstanding foreign currency exposure at the year end.</p>				
d	<p>Interest Rate Risk</p> <p>The Group has taken term loans from bank and others. With respect to loans from banks and others aggregating to Rs. 193.21 Lacs as at 31st March 2021, interest rate is fixed. Therefore, there are no interest rate risks, since neither the carrying amount nor the future cash flows will fluctuate because of change in market interest rates.</p>				
51	<p>Capital risk management</p> <p>The Group manages its capital to ensure that it will be able to continue as a going concern so, that they can continue to provide returns for shareholders and benefits for other stakeholders and maintain an optimal capital structure to reduce cost of capital. The Group manages its capital structure and make adjustments to, in light of changes in economic conditions, and the risk characteristics of underlying assets. In order to achieve this overall objective, the Group's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the borrowings that define the capital structure requirements.</p> <p>Consistent with others in the industry, the Group monitors capital on the basis of the gearing ratio. The ratio is calculated as net debt divided by equity. Net debt is calculated as total borrowing (including current and non-current terms loans as shown in the balance sheet).</p> <p>The Group monitors capital using 'Total Debt' to 'Equity'. The Group's Total Debt to Equity are as follows:</p>				
	Particulars	31.03.2022	31.03.2021		
	Total debt*	1,036.96	1,082.94		
	Total capital (total equity shareholder's fund)	7,877.37	4,364.82		
	Net debt to equity ratio	0.13	0.25		
	* Total debt = Non-current borrowings + current borrowings + current maturities of non-current borrowings
